<sup>1</sup> The authenticity, validity and effect of each of the proxies and ballots were confirmed. The registration and all ballots received were verified. The number of members in good standing and entitled to vote on matters is as reported. All challenges and questions in anyway arising in connection with the right to vote, if any, were resolved.

<sup>2</sup> Quorum is the total voting power required to be represented in person or by ballot in order to conduct the election, pursuant to the Bylaws [at least 50% of 447 = 224 needed for a meeting].

<sup>3</sup> Abstentions occur when Members: (i) sign in at the meeting but do not cast ballots, or (ii) cast ballots with no votes (i.e., the ballots are blank, or the "Abstain" box is checked). Abstentions are counted toward quorum.

<sup>4</sup> Ballots are voided when: (i) ballot contains more votes than permitted; or (ii) ballot contains identifying markings.
